## NORTHERN NEW ENGLAND ENERGY CONFERENCE

On behalf of the Maine Energy Marketers Association (MEMA) and the Oil Heat Council of New Hampshire (OHCNH), you are cordially invited to attend the *Inaugural Northern New England Energy Conference* (NNEEC) located at the beautiful Sebasco Resort in Phippsburg, Maine.

Discussion has taken place over the past few years between MEMA and OHCNH on combining conferences which would enable the vendors to spend more time with the fuel dealers and to bring in quality education sessions to all.

The conference starts on Sunday, June 18 with a welcome reception and heavy hors d'oeuvres. Vendors can start setting up their booths as early as 3:00 pm. Evening activities at the Quarterdeck as well as the Hospitality House will open after the reception.

Education sessions will take place on Monday with presentations from Boston Environmental, Angus Energy, TRC Solutions, Irving, OSHA and more. Vendors will be exhibiting both inside and outside throughout the day.

There will be a cocktail reception and formal banquet on Monday evening with keynote speaker Dick Dyke of Windham Weaponry. An AR-15, compliments of Mr. Dyke, will be raffled off at \$25 per ticket. A variety of activities will follow dinner and the hospitality house will be open.

On Tuesday a relaxing day of golf is planned at the Bath Golf Club starting at 9:00 am. This will be immediately followed by a barbeque buffet lunch for the golfers.

This event will be a great opportunity to network with other Maine and New Hampshire home heating fuel dealers and mingle with our valued vendors, while keeping up-to-date with industry information.

Help support the *Inaugural* Northern New England Energy Conference and stay connected to our industry. Please return registration forms by **June 5, 2017**. We hope to see all of you there!

See you in Maine!
